

The Wonderful Education Project

Wonder-ful experience: Multidisciplinary Perspectives

Seminar with Prof. Robert Fuller,
Caterpillar Professor of Religious Studies,
Bradley University, Peoria (IL):

16 March 2018

VU Main building, 16A00 (Kerkzaal)

15:30-17:00

Followed by drinks

Prof. Fuller situates wonder in the modern study of emotions: their evolutionary-adaptive substrates, biological functions, psychological attributes, and why wonder gives rise to thoughts/feelings that might be deemed spiritual.

Participation is free, but registration is required.
